5. Storm Drainage – having issues on Cherry Dr with water during heavy rain. The Sledge property is 46” below the road so there is not much the city can do to help with the water flowing. Can dig out the ditch on the other side of the road and see if that will help but doesn’t see where it could help that much. Floyd talked to Hooks and they gave a quote of \$2,000, but the city has to supply the pipe. Woodard would like to get another bid. Geter made a motion to table until next meeting w/ another bid, Brownley 2nd, unanimously approved.

Meeting adjourned at 6:55 PM with Woodard making the motion, Brownley 2nd, unanimously approved.
